Additional Information

What is the Tacoma German Language School?

Founded in 1970, TGLS is an independent, tax-exempt 501(c)(3) organization, designed to provide the highest quality language and cultural program for students while keeping expenses and tuition as low as possible. Our program introduces German as a second language to American children and adults, also helping children of Austrian, German and Swiss backgrounds improve and maintain their knowledge of the language and culture.

Where is the Tacoma German Language School located?

Classes and Day Camp meet at the comfortable facilities of Christ Lutheran Church located in a wooded setting north of Gravelly Lake. The school's address is TGLS, 8211 – 112th Street SW, Lakewood, WA 98498.

How is the German language taught?

The primary focus in the children's classes is on conversation, although reading and writing are also part of the curriculum. The curriculum gives review/reinforcement and is spiraled for development. Children move through age-based homerooms until they are old enough to join one of the adult proficiency classes. All adult classes use a communicative approach, emphasizing conversation and include reading, writing and grammar. The Summer Day Camp, founded in 1986 by Patsy Hegstad, PhD, features a 300-word target vocabulary built around themes which go beyond the typical Saturday school *Wortschatz*. It is ideal in augmenting learning for the native speaker and the child who has attended Saturday school as well as for beginners. Adult summer classes typically choose a light-hearted theme to ease learning on those warm evenings after work. TGLS usually limits enrollment to a maximum of 12 students per teacher.

What qualifies the faculty?

The excellent, well-qualified and enthusiastic faculty members are fluent in German and current methods of language learning such as Total Physical Response (TPR), TPR-Storytelling and The Natural Way. The faculty members are native speakers, or they have an excellent command of the language and are role models of second language acquisition.

What are the student ages?

For Saturday school, children are at least 4 years old. Summer Day Campers are 5 to 12 years old. Children's classes are divided by age level and adult classes are arranged by proficiency levels.

Do you have special events?

Yes!! Visitors, family, and friends are welcome and encouraged to visit on the Saturday of Day Camp, our booth at **Oktoberfest** NW, the autumn **Laternenumzug** (lantern parade) in November, the **Nikolausfeier** (St. Nikolaus visit) in December and **Maifest** in May. We often have live performances, along with providing games and crafts for children.

What if I have to withdraw?

In case of withdrawal in advance of classes starting due to an unexpected event or emergency, a full deposit refund is given. The deposit refund will not be given for "no-shows" since we must hire teachers and make classroom arrangements. A full refund will be given if we must cancel the class.

Are classes ever cancelled?

The Board of the Tacoma German Language School reserves the right to cancel classes due to insufficient enrollment or unavailable faculty, in which cases all fees paid by students will be refunded. In case of weather-related class cancellation, the school reserves the right to decide by 8 am on Saturday morning and will email students if class has been canceled. TGLS also reserves the right to cancel class or move classes from in-person to online/distance learning for the safety of the students, faculty, and public. If a student is unable to continue studying due to the changes, they will receive a pro-rated refund. Occasionally there are scheduling conflicts requiring us to adjust the semester dates to ensure 15 sessions.

Would you like to observe a class first? To observe a class, please make arrangements with Principal Ericka Baird sending an email to tgls_tacoma@outlook.com.
